

8 - Troops let them loot hundreds of tons of high grade explosives from the Qagan ammo dumps.
We gave them the explosives to blow us up/secure it.

22 Fear, Smears, & Queers - The Bush Method
9/11 - Instead of telling the nation it had nothing to fear but fear itself - he told us to fear - It was only a matter of time before they would hit us again.
2004 Republicans offered fear - 2004 - Vote Republican or be ripped apart by wolves - like Wolves - "Weakness attracts those who would do America Harm."

26 - Use Scary Wolves to depict Bush + Neo cons
26 - Fear - Bush's ace in the hole - Terrorists will kill your family
Speeches - Cheney - Danger is to not be at war - Fall back into the pre 9/11 mindset - That these are just criminal acts and we are not really at war.

But - if we are forever Really at War → would we promise of war have we given up our Bill of Rights and constitution + freedom (way of life) with no vote no campaign - Point is to Love War - Endless welfare but not efficient or for people.

Direct Threat - ~~Obama~~ Kerry victory would cost millions of lives. There were NO attacks & NO kept up drumbeats of Terrorist Alerts. - These were NO attacks & NO Orange Alerts since the election. (Tom Ridges said he didn't know why they were issuing alerts. (overruled by Ashcroft) - master of Fright. Color coding manipulated to cause fear. - Campaign - Ridge - 16 trips to swing 10 swing states at height of election. That's just a reminder, that we could be incinerated at any second. point!

29 Scientific Terror Management Theory: Much Behavior & Culture is response to fear of Death. "Death Related Thoughts drive people to affirm their pre-existing cultural world view. (Rather than fast leaders. Remind of 9/11 or death → they view Bush more favorably.)

30 Research - Talk of Death - They then believe Bush. CAMPAIGN #1
DEATH - swaying Conservatives, Liberals, moderates alike.
It worked - The Terrorized game Bush the White House.
32 Moral Issue - First 3 years 4.3 Americans - over a million children - fell into poverty

Mag - "The Economist" - Tory Magazine
Fear? - 86% of "terrorism" voters voted for bush.
Fear 34 Nov 10, 2001 - Approval at 50% - week later 90%. In that time Bush had failed to prevent the worst terrorist attack in U.S. history.

35 Bush had dropped the ball on Terrorism over over since his first day.
Aug 6 Briefing - Told Al Qaeda Operating in USA & Scoping out New York City.
NOTHING DONE - said "If I had known..."
35 Aug 6 President's Daily Briefing Titled - Bin Laden determined to strike within US. - was Ignored.

37 - George Tennant "The System was thinking real Al Gore of this war title was more pointed and alarming than any he had seen in 8 years.
40 - The Ignored Intelligence that 9/11 was going to happen Flight Schools

12 Book Shows 12 Ways 9/11 could have been prevented if he was awake.
And - Clinton reasonably told Bush "by far your biggest threat"
And Sandy Berger told Condi Rice "your time will be spent on So - they hated Clinton / ignored him / pushed ultimate corporate warfare program / missed detentions / held / ps corner stone of security strategy. Speech - future - Not problems of yesterday.

41 AND "Dark side Dick" Cheney - 2001 - made head of counter terrorism task force - and never called a meeting.
41 Responsible govt. may have prevented 9/11 Bush did not report his mistakes / he sat poll numbers - 9/11 as the gift that keeps on giving.

42 9/11 War blamed for everything - even Iraq and Job Losses
43 - Bush + Republican Politicians hate the old - almost as much as they hate the young.
44 George H.W. Bush - take Baghdad a disaster
Dick Cheney - on How Iraq would be a "quagmire" longer

44 Colin and Condi had just explained how Iraq was no threat "His military forces have Not Been Rebuilt"
Then 9/11 - Overnite - he had "The most lethal weapons ever devised"
AND - Some how became (old/new) partners with al Qaeda Iraqis + Bin Laden in bombs + gases.

46 W said - Saddam could be nuclear holy warriors + the "Smoking gun" could be a mushroom cloud.
Try to elicit emotion that your death elicits the image of what would happen

47 - We believe he has reconstituted nuclear weapons - Cheney
AND
48 - Administration did try to connect Iraq and 9/11 - Many statements did connect them - Many more implied.

48 Campaign - Got Hans Blix Statements before War
Early Feb 03 - Before War at Queda/Saddam - British Intelligence said they could not work together - Almost Not Reported Here
Like Osama's Aim is to Ben Krust + the USA - like Soviet Claim

51 Sleekly Standard - 50 points of co-operation - Iraq - Al Qaeda
All Received / unrelated
9/11 Commission - Never any co-ordinated operational relationship.
Then Back pedaled - Said they Didnt say it to not confirmed

54 Donald Rumsfeld met more with Saddam Hussein than al Qaeda
They tried very hard - see Convention to elaborate / confirm 9/11 and Iraq.
60 Orwellian Language - Healthy Forest - Clear Skies - Freedom is Slavery
64 116 References to 9/11 in the prime time in Republican Convention.

79 - Swift Boat Veterans - Cam plek lies - Silver Star - "Loincloth" affair No - even Vets said he - Bin was a strong grown man
Spent a Billion dollar to paint hero no coward - and vice versa.
85 Earlier Rove Campaign - Took a man who helped abused children - turned him into a pedophile.
88 When you expose the lies they keep on using them Repetition Potentially better than truth.

90 - Bush - Said Resolution to use force was necessary to keep the peace

97 Campaign John Kerry actually flip floped far less than Bush but changed positions acted to shorten the Vietnam War - for that other Veterans were willing to lie

99 Tax Code Simplify? or increase 30% budget

102 Terrorism really is more about law enforcement and intelligence than strong military operation

103 Shameless decontextualization & attack "Nuisance" "sensitive" "global test"

Participate in the "Bitch Slap" method of electoral politics.

104 Democrats internalized the message of their abuser and tried to be nice. Being Nice Failed

108 Cold War just ended - supposed to be a peace dividend

110 The Hate pit - They are spreading hatred of the real USA System. They said Kerry would ban the bible - bring gay marriage. Sent Republican Pro Gay Demonstrators

John DiJulio - Quit when realized it was all politics and not at all about helping people. On Taxpayer money he spoke of Radical secular orthodoxy - "Godless Extremists"

Spent most of 1 Billion - Much untraceable on Carefully selected political allies in Battleground States Illegal

Tax exempt Rel. org. prohibited from partisan activity

Bush campaign - sent direct recruiting letter to churches

50 - They Tried to Change the law - To allow 3 violations, Allow pastors to campaign - Baptists were against - it failed.

120 N.C. Church - Expelled people who voted for Kerry.

On Abortion - They should be safe, legal, and rare. Pro Choice Republicans could take eucharist.

Abortion in the 8 Clinton years abortion went down every year

125 - George Bush - Grant Flip Flopper - Federal Const Amendment against gay marriage

- Guy Bush - "Gay marriage is the new abortion"

She could lead the charge against bad culture things

124 - RU. Wade 30+ yrs reproductive freedom biggest issue in the culture wars - Picked because it can't be resolved, if it was they would pick something else.

125 How could Gay Marriage Threaten your marriage / football?

Biggest threat to marriage is Divorce (Red State)

50 - 3 strike rule on divorce - can't marry again.

AND What about "Terrorist Marriage" Hopping all over - They kill people and they can breed.

126 - Paid for by the committee to distract you from real issues

But Gay Marriage is Not about Marriage - its about gay

Core - Deny Homosexuality is inherent - why would God do that.

Cheryl Schaftego Alan Keys have Gay Children

129 - 130 - Gay Marriage thing? Actually hurt Bush.

133 - After Election/Theocratic Masters may demand extra-constitutional Fealty.

137 Schiavo case - Would come to Symbolize Republican Overreach

136 - God (his dad) was what was behind wonder of NATURE

137 Rel. Founders / Deists' Aldano/ Jefferson - Personal creed boiled down to "Be Just And Good"

142 Even the Tsunami - Gore had a plan for GDIN Global Disaster Information Network. Killed by GOP. So he couldn't get credit.

145 Schiavo - Pandered to base - but 13% of Americans thought Congress should get involved - 13% said they actually cared

148 - Before Schiavo - Delay 3 times & this Representand. So Schiavo a good

150 Frist - Video Brain Diagnosis

153 - Peggy Noonan - Schiavo - like Nazis - on Columbus and the

156 World? Jefferson Declaration of Independence - we should have "a decent respect to the opinions of mankind. 3 dozen judges reviewed this case / Americans Sick of Congress"

157 - 17% Approval of Congress - As "shares your priorities"

Real Issues - Health Care - Two to one favor universal health care. Republicans - "is to help Insurance Companies"

They see Health Care as Tort Reform? Schiavo's care was largely financed by damage awards. Which they would chop

Delay refused to have his own father put on a dialysis machine - let him die. and then filed a damages lawsuit - Then howled about Frivolous, Parasitic Lawsuits

158 "Culture of Life" Totally Take off on this - Culture of Death Targets

Purpose of Politics in culture of Death is to keep your eyes off the ball - Make things up to be emotional - Never deal with real issues

Only life they care about is unborn or unconscious

160 Saipan - "Made in USA" - but sweatshops. Locked in Barracks behind barbed wire / slavery / for each prostitution. - contract as waitress - forced into live sex on stage / threatened

165 - All OK - Paid for Massive Conservative Junkies

Delay - says Saipan - "Shining light for what is happening in the Republican Party. - SAIPAN

166 Delay Killed Saipan bill enforced slavery & childhood prostitution ETHICS - Goal "A more God Centred Nation" our entire system is built on the Judeo-Christian ethic.
What is that? Besides looting & authority
167 - Abramoff also pd. for \$120,000 "fact finding" mission to St Andrews Golf Course - on his personal credit card.
For Delay - Also stole \$82 mil from Indian Tribes
173 morality - Ralph Reed - head of Christian Coalition
Take millions, then work through Churches to play off one Tv. be against each other
178 (Forced Abortion) supported by Tom Delay
11,000 women - catholic welfare workers - 41 years - Never seen one have a baby.

Involuntary Servitude cases in late 90's showed system of slavery, sexual servitude, & forced abortion.
Tip of Iceberg Principle - Cynical looting and betrayal of the public good. re: War Energy, Military Contracting, environmental protection, health care, CAMPAIGN - Not in Charge - In Jail.

182 Jan 25 2001 Greenspan said the SURPLUS will reach 800 Billion in fiscal year 2011.
Too much money 5 yrs ago that was govt. problem
188 - Social Security Crisis - got their big number by assuming we would like to be 150% projected to ∞
Very little possible problem - 6 Clear solutions
90,000 CAP on social security tax removed 3/3 favor it.

191 - The insolvency we have to fix is medicare
198 Why do they hate Social Security - Cons. Repubs. hate govt.
& Social Security is best example of good functioning.
Not "Ownership Society" but "Only your own" society.
S.S. A Safety Net - "Would a safety net work if each person had their own private piece of netting?"

- Lies - Twisted PR. actually changes meaning of media quotes
218 In a society where we face very great economic risk
Social Security reflects the best of our ideals - the deeply held conviction that we're all in this together.

War/Oil - Wolfowitz started in 1979 with focus on oil
1975 - war of danger of Iraq disrupting oil.
222 After Saddam had gassed Iranian troops Reagan sent Rumsfeld for a friendly talk with Saddam - U.S. sold him the precursor chemicals for chemical agents.
After his poisonous attack on the Kurds the U.S. military intelligence expanded its contributions of \$5 billion to Saddam

222 - Only when Oil threatened - Wolfowitz's prophecy came true
was Saddam a bad guy - Saddam useful to keep Iran down.
PNAC 1997 - Project for a new American Century - Planned Invasion of Iraq - Clinton bombed. took out WMD remains

229 - Downing Street memos often mentioned that No post war planning was happening.
In Washington 5 Separate plans for Post War Iraq - All of them totally ignored by inner circle.

230 George Bush also don't believe in objective reality.
Facts bent to fit preordained "morality"
235 - Treaty to believe will be greeted as liberators
237 - wolfowitz on Iraq "To assume we are going to pay for it is just wrong... dealing with country that can soon finance Brown Construction."
They were total lies all along. What kind of fool would believe what they say. Also by Al Franken

239 Bush fired his own director of his National Economic Council after saying Iraq war could cost 200B - Now past that - NOLO I'm Good Enough, I'm Smart Enough.
Centra Strategies and Doggone It, People Like Me!
Budgetary Assessment Estimates 700B - What could we have done with that!

Now Rumsfeld says it could take 10 or 12 years.
5 Total Threat - Plague - Rush Limbaugh is a Big Fat Idiot and Other Observations
Me, Not a military Strategist, thought of this - Come in - Pick off
What if someone occupied our country - Search your wife's pottery Born Rule - you break it... torturing.
241 Powell - Warned of Why Not Me? & mommy body. Killed it...
The Inside Story of the Making and Unmaking

243 WOW 4 star General Anthony Zinni - US Commander lying, dereliction, corruption, negligence, irresponsibility.
246 Bush on Aircraft Carrier Rove had 13 cameras on the carrier deck Mission Accomplished - A Guide to Success, or, Failing that, Happiness
249 No order given to stop looting banned Rove spent 738,000 KBR, No Bid.

250 We didn't even secure lies, and the Lying Liars Who Tell Them
The explosives & munitions - gave them the explosives to blow us up. A Fair and Balanced Look at the Right
251 Giuliani said Blame the Troops Not Bush - But Bush couldn't bother to plan for enough soldiers to guard the ammo
255 Bremer first fired 120,000 essential civil servants
Then fired / no pensions / for OVER 400,000 in Army

Superbowl's try - Guy who said we be coal mined with flowers
Found him self explaining that there were 3 groups.

255 - Paul Bremer - want in + fired 160,000 essential public servants, then fired the 400,000 man army - canal pensioners
 Prior to disarming them.
 Bremer puts 5 unqualified youngsters in charge of Iraq's
 13 Bil Coalition Provisional Authority Budget
 8.8 Bil. vanished on Bremer's watch.
 Iraq - The Biggest Corruption Scandal in History. Costs
 Truman said War profiteering was "Treason" It is now
 267 Reconstruction has been to build blast walls
 rather than services, utilities, re-construction
 269 Total Zero Deaths in Germany Japan Bosnia Kosovo Haiti.
 271 - Allies. The Uzbek regime = Great they do whatever we want.
 Horrible - They Boil People &
 273 Torture - Rush L. "Need to blow off steam"

275 Torture
 Man From
 Gitmo sent
 over to do
 it at Abu Ghraib - Gen. Jeffrey Miller
 Gen. Taguba Report "Systematic and illegal abuse of
 detainees"
 279 Wolfowitz didn't know how many troops had died
 Rumsfeld has death letters to next of kin signed with an autopen machine.
 And then he lied about it.
 Between 30,000 and 100,000 War Dead in Iraq.
 285 Boykin (Gen) Comment / Church - War on Terror fight
 between "a Christian nation and Satan."
 287 - Conclusions of Defense Science Board - Policy Backfired
 Main goal - Separate vast body of Islamic people from the
 jihadists. (NO) - we have given legitimacy to them Israel
 Do Not "Hate our Freedom" they hate our Policies a) Palestine

Creates huge rise in Terrorist Acts - "Pattern of Global Terrorism 3"
 Rept 2001 - Acts tripled in one year / They don't count & tell
 you any more
 You think this is Not What They Want But - Like Drug War - Best
 wars for the MIC sucking us dry. - Keeps the money pouring out
 to their kind of people Not wanted on common people.
 287 - May 30, 2005 Cheney "Last Throes" / Less than a month later
 No Idea what they are doing / Rumsfeld 10-12 years
 289 Gen & people make all decisions / Listen to Nobody Else
 Congress (Republican) lets them get away with it. Every day
 They have a chance to do their job - They Don't Oversight

294 ↓ Nation, Earth ↓ Spaces ↓
 I quit my job to throw every energy into Fighting
 Back. Your grand children will ask (like the Depression)
 "What did you do to fight back during the dark time"
 From 2000 to 2009?
 I stood up and Fought, and we took our country back.
 Must discredit this Anti American evil for generations -
 And they've so rapidly begun discrediting themselves.
 Right - tries to divide us - along many lines.
 Youth Vote - want for Kerry
 296 - The Reality Based Community took over again in
 2009.
 Their Grant Screw ups - Schairvo - Social
 Security - Iraq.
 296
 2006
 Change
 Came
 Republicans had promised to (in 2004)

The Truth

"end the cycle of scandal and disgrace"
 "restore accountability to congress"
 226 of 231 Republicans in
 the house received Money
 from "forced abortion" Delay. (with jokes)
 297 Gain Control of the "Peoples House" in 2006 OR continue
 down the Road to perversion, desecration, corruption, fascism.
 298 Infant mortality
 Rural Broadband Internet Access
 Health Care

301 - If they do business here they pay taxes here.
 - Offs here Headquarters - No Tax - 60%
 304 - Drug War - "End the Stupid Drug War Act"
 Franken - includes Drug War. (AA)
 305 This is
 Truly the DARK TIME - during which real Americans
 must stand up.
